Dear Mr. Seow:

Just a short note to thank you for the opportunity of visiting with you and seeing your plant. Jeff has spoken highly of your operation, and I was most impressed with its cleanliness. You have clearly set a high standard for an FRP factory.

Jeff tells me that you have done some FRP subcontract work for us, and he thought it was of high quality. I know that Jeff will be talking with you in due course about further developing our relationship.

In the meantime, many thanks for taking time out from your busy schedule to meet with me.

With kind regards.

Sincerely yours,
