BSP PROJECT

**TESTIMONY**

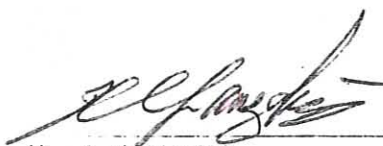

TO WHOM IT MAY CONCERN

This is to certify that DYNAGLASS REINFORCED PLASTIC PTE LTD was engaged by us for the shop manufacturing of four FRP vessels ranging from 0.5 to 2.43 metre diameter and field assembly of one FRP storage tank of 6.5 metre diameter and 4.2 metre height for the BSP Project of Kureha Chemicals (Singapore) Pte Ltd at Pulau Ayer Merbau in the Republic of Singapore.

DYNAGLASS has demonstrated the ability to execute the project on schedule as well as maintaining the quality as called for by the relevant specifications.

In appreciation of DYNAGLASS's performance we testify hereby as aforementioned.

  
H. YAMAZAKI,  
SITE MANAGER
