Attention to Mr Mark Lee, Project Manager

Dear Sir,

We congratulate Dynaglass Reinforced Plastic Pte Ltd., Singapore again for being awarded the contract for design and supply for Vap-o-loc Internal Floating Roofs with NSL OilChem Services Pte Ltd in April 2008.

We confirm that Dynaglass have satisfactorily completed the installation of Internal Floating Roofs for our new Category 1 Tanks 104 and 105.

Dynaglass has demonstrated professionalism and the ability to systematically train and supervise the project. The Dynaglass project team was able to complete the work on time and well within the projected installation time.

With the good working experience with Dynaglass, we are looking forward to working more closely with Dynaglass in future.

We thank you with your utmost efforts to complete the project within our tight projected project timeline.

Yours sincerely,  
NSL OilChem Services Pte Ltd
